

Cooperative Work Education Certified Courses

A Cooperative Work Education/Diversified Occupations (CWE/DO) coordinator must hold a valid Connecticut teaching certificate with a #104 endorsement to teach CWE/DO.

For initial endorsement:

- a) Holds a bachelor's degree from an approved institution;
- b) Holds or is eligible for a secondary-level certification in any subject or field;
- c) Has completed one year of satisfactory non-teaching work experience;
- d) Has completed three semester hours of credit in principles and organization of cooperative work education;
- e) Has completed three semester hours of credit in each of the following:
 - 1) Foundations and principles of vocational education;
 - 2) Labor market analysis trends and job readiness; and
- f) A course of study in special education of not fewer than 36 clock hours.

There are additional requirements for a provisional and professional educator certificate.

The Connecticut State Department of Education, Bureau of Educator Preparation, Certification, Support and Assessment accepts the following courses towards a CWE/DO certification.

Central Connecticut State University (on campus):

VTE 415 – Principles of Vocational Education
VTE 450 – Principles of Organizations of Cooperative Work Education
VTE 455 – Labor Market Trends & Student Job Readiness
SPED 315 - Introduction of Educating Learners with Exceptionalities
